As luck plummets, multiple challenges may arise, particularly in your relationships and finances, leading you to feel depressed and lost. Patience and caution are key to navigating this challenging year, as the Major Wealth Loss (大耗) and Disaster (岁破) stars indicate unnecessary wealth losses and travel hiccups. However, don't worry, as the Resolution Star (月空) will aid you in finding solutions at critical moments. Adversity can make you stronger, so stay positive to march on towards a better future.

Mao (卯) bearing

Two Black Illness Star
NW 292.5° - 337.5°

2026 ANALYSIS

As luck improves significantly, you will get to connect with like-minded friends and career mentors. Blessed by the Star of Aid (天乙贵人) and Star of Kindness (月德), your career, personal life, and relationships will thrive. However, the Robbery (劫煞) and Indulgence (小耗) stars may bring financial setbacks and health issues. Avoid flaunting wealth or mishandling money. Stick to a regular routine and address health concerns promptly. Choose your words wisely in social interactions. This year, network actively, seize opportunities decisively, and success will follow naturally.
